# Wine Celebrations

In wine, just like with everything else, we all have preferences. These choices that we make may be influenced by the emotions that we go through, the occasions that we celebrate and the company that we have.

So, whether you prefer to have a classic first world international varietal, an award winning icon or a Beaujolais style, the bouquet and flavours as well as the aromas will have to resonate with your nose and palate respectively to the very best.

We have therefore carefully chosen the selection of wines that will cater for every palate, from those who like to pair their wine with our signature dishes to those who prefer to sip on a glass to wind down the day.

Our passion of wine will be expressed in the following pages.

*"My tastes are simple: I am easily satisfied with the best."*

- Sir Winston S. Churchill

Compiled by:

**Mxolisi Mahatshi**

**Group Wine Steward**

## CORKAGE

We have compiled an extensive wine list in an endeavour to cater for all tastes and preferences, hence we discourage corkage however we may not have that old gem or momentous bottle of wine that you may like, therefore corkage will be as follows:

No BYO for 5 or more people

Wines - R150 per bottle

MCC - R250 per bottle

Champagne – R500 per bottle

## DINERS CLUB WINE LIST AWARDS

These awards are a popular symbol to restaurants and patrons. To restaurants, they are a symbol of excellence and achievement, to the patrons the awards imply that an establishment has a great selection of original wines and will ensure an all round dining experience.

- Icon award represents a score of 96% and above
- Diamond award represents a score of 91% to 95%
- Platinum award a score of 81% to 90%,
- Gold award a score of 71% - 80%
- Silver award a score of 60% - 70%.

We often see stickers on wine bottles which look really decorative but never give much in terms of meaning, we will therefore give a brief explanation to some of them - browse through.

## PLATTER GUIDE

The platter Guide was conceived in 1978 by John and Erica Platter (once known as The John Platter). This is a comprehensive, up to date and authoritative guide to who is who and what is what in the cape wine lands. It features countless producers, negociants and brands. This is a reference guide which also saves to 'advise' on the quality of the wine. The rating ranges from half star (Very Ordinary) to 5 star (Superlative - a South African Classic) to this end most of the wines we list fall between 3.5 stars (Very good / Promising) to 5 stars.

## THE MICHELANGELO INTERNATIONAL WINE AWARDS

The need to have South African wines adjudicated by international experts was the compelling factor in the formation of these awards, only the internationally accredited wine judges serve on the judging panels. The aim is to identify wines which will fare well in world markets. The Michelangelo uses the 100-point judging system which is very accurate as it allows each entry to be judged according to the varietal's characteristics based on sight, smell and taste.

## VERITAS AWARDS

This award gives recognition to wines of exceptional quality. The distinctive VERITAS symbol of excellence serves as an authoritative quality guideline for wine connoisseurs. The judging panel includes winemakers, researchers, academics and merchants who are all required to have a wine judging certificate from the university of Stellenbosch, a Cape Wine Masters or similar accreditation.

## OLD MUTUAL TROPHY WINE SHOW

This is South Africa's premier wine competition that recognizes top local wines and winemakers, it honours the excellence in the winemaking industry. The medals range from bronze = 70 to 79 points (good to very good), Silver = 80 to 89 points (excellent, wine of distinction) and Gold = 90 points and above (superlative, world class). The gold medal wines in each class go through the Trophy judging where all the panelists re-assess them from freshly opened bottles.

## TOP 100 SA WINES

This is a premium brand based around many of SA's finest wines and vineyards. This is very objective, independent and professional rating of South Africa's entered fine wines. It aids vineyards to position their winning wines with clarity, vigour and integrity. It helps the consumers to buy better wine and get best value.

## ABSA TOP 10 - PINOTAGE

This has become the means of benchmarking the best wines made from South Africa's Signature Grape, Pinotage and has seen the sales of Pinotage increase by 10% while doubling the exports of Pinotage.
